II. ORDER OF BUSINESS

- A. Meeting Minutes — June 16, 2022

Motion made (Schams/Grotzke) to approve the June 16, 2022 meeting minutes.
Motion carried unanimously.

- B. WIOA Youth Discussion

Ms. Burkhardt began the discussion by reporting current enrollment numbers: 10 enrolled, three are pending enrollment; a few participants will be dropping into follow up status and she has a couple of referrals to begin work with.

Ms. Burkhardt outlined her goal of having at least one participant from each county and said she and Ms. Altmus are working on this by making phone calls, putting up flyers, using social media (Facebook, Instagram, LinkedIn and Twitter). They are also working on memorandums of understanding with businesses outside La Crosse. She stated Western Technical College has been great at referring students and she is now reaching out to its satellite campuses for additional referrals.

Other program goals Ms. Burkhardt has included: developing a summer program and expanding co-enrollments.

Committee members had the following suggestions, ideas and questions:

Mr. Rodriguez said Market and Johnson has been a great youth apprenticeship partner and could be an additional resource for the youth program. Ms. Langrehr said CESA has made a great connection with students working on building projects within schools and Ms. Wagner said Viterbo is starting non-credit programs that could fit with WIOA. Mr. Schams asked about the interview process for work experiences. Ms. Altmus explained an employer has the chance to interview the candidate to see if he/she has the skills for the job. The Western Wisconsin WDB then pays wages and workers compensation.

Ms. Scarborough spoke on the program's measurable skills gains. MSGs are one of five program measures and are based on people in training, including high school. Those in training for a program year have to meet certain benchmarks and achieve documented progress. The youth program was at risk with the state because of these measures, but has since moved out of that status.
